20 June 1984

OC-MLS WEEKLY STAFF NOTES
FOR WEEK OF 11-15 JUNE 1984

1. On 15 June, Mr. John Grimes, Deputy Manager of the National Communications System, toured the Headquarters Telecommunications and Voice Communications Branches of DND.

2. Initial copies of the Capitalization Program status report were published for distribution.

25X1 3. A data base of locations is being developed to track Capitalization progress and projected completion date at each site.

25X1 6. The May allocation of 11 STU-II's has been received. DND was issued ten units for the Headquarters interface; the next five are scheduled for FND (Area Headquarters).

25X1 7. The June KG-84 allocation was received 15 June. Of the 75 units received, 60 are available for OC issue. An allocation meeting has been scheduled for 18 June.
